Our two-bedroom apartment is our largest floor plan, measuring up to 1035 square feet. With an open layout, you will love making this space yours. These remodeled units feature stainless steel appliances, ceramic tile flooring, and two spacious bedrooms and mirrored closet doors. The largest room is the open common room, with enough space for a comfortable living area. Our two-bedroom units have access to private yards and patios, giving these spacious apartments the best parts of both an indoor and outdoor lifestyle.
